Overview is the motto. With the spice tray from ELCO everything is kept on track. The classic, which has a straight-lined compartment layout, offers space for all standard spice containers. Thanks to the compartments on the sides, there is not only room for classic spice jars, but also for refill bags, which are well sorted in the SPICY spice tray. The spice tray is available from K0 400 - K0 600. The resistant plastic with a modern structured surface withstands daily use without restriction.

- Ideal arrangement of spices and refill bags
- Easy to clean
- Ergonomic basic divisions
- Made of resistant plastic
